

# Cardinal Coach Tours

MAY 2019

The activity level on every tour varies depending on each individual venue and location. We do our best to evaluate the physical activity, such as walking distance, stairs etc. so that you can determine if a tour is right for you. Tours with three running shoes are the most physical and are not suitable for those with canes or walkers or limited mobility. We need to know prior to you travelling if you have any mobility issues or dietary restrictions.

 **Very Little Walking**  **Moderate Walking**  **A Fair Amount of Walking/Stairs**

\*\*\*\*\* As of January 1, 2019 seats can be reserved for mobility issues only,\*\*\*\*\* with the exception of a doctor's note for any other reason.
